

Rare Original Colt Digger Early Ammo Box

This box is one of the earliest boxes known Circa 1893/1895 it was originally left in the wood finish void of paint when issued. This box is in excellent condition with no modifications to it. The box still is retaining its original sliding wood lid. All of the grooved sections for sliding it on to the gun in still great condition. This earlier `box is rarely encountered or seen and is now available. A note here this box is unique to the colt digger it does not fit the 1917 colt. Approx size 13" x 7" x 4"
